

Instructions for using the online ADG registration and gaming system. **For Coaches**

All of District 7's registration, team management, score reporting, and scheduling is done through the Affinity Sports (ADG) online gaming program. To access this program go to: <http://uysa.affinitysoccer.com>.

New to ADG

If you have not signed into the ADG system before you will need to 'activate' your account. Begin by going to: <http://uysa.affinitysoccer.com>, then select '**activate account**'. You will need to enter your first and last names, your driver's license number, and your Admin ID#, which can be found on the lower left corner of your coach's pass. If you have problems getting your account activated contact the District Registrar at: registrar@soccer7.org

To access your Team Roster

Go to the ADG system at: <http://uysa.affinitysoccer.com> and enter your username and password. If you have forgotten this either follow the prompts to recover this information or e-mail the District registrar at: registrar@soccer7.org and she will send you an e-mail with your username and password. Once logged in you should be viewing a screen that shows all registered members of your family and all teams you are associated with. To pull up your team roster look under the heading "**Teams**" and press the '**edit**' button next to the team you would like the roster for. This will pull up your team roster for you to review.

If you would like to print a copy of the roster, press the '**Print roster**' button on the bottom left of your screen. Then click on the **Print icon** on the upper left of your screen - a screen will pop up asking if you would like to select 'all' or 'page' - just press '**ok**'- either selection will work. Then go to the **File** pull-down on the upper left and select print. (The roster will look best if from your Print menu you select 'fit to printable area' under the **scaling** pulldown and if you check 'landscape' under **paper orientation**.)
